

# Creeping, Crawling and Carnivorous Show Finale

Sunday, November 7, 2010, 6 – 8 p.m.

ABQ BioPark Botanic Garden  
& Shark Reef Cafe

*This one-of-a-kind event is perfect for every adventurous family!*

Visit the Creeping, Crawling and Carnivorous Show by flashlight for a special after-dark of the show by insect keepers and volunteers. Then, sample the delicate flavors of insects and other arthropods during this daring dinner! Standard fare also available.
